## Gas Powered Rotary Screw Air Compressor

**VIPER**   
GAS

Now Smaller, Quieter, and Double the Fuel Capacity!

The redesigned VIPER® Gas Rotary Screw Air Compressor now features a larger fuel tank, smaller footprint for space savings, low idle RPM's to reduce excess noise & automatic start-stop compressor based on air demand. The perfect choice to operate 90 lb jackhammers, 4" piercing tools, pavement breaking, monument engraving, irrigation services, post pounding, direction boring and more!

### Features

- Honda® iGX800 EFI 4-cycle, Gas v-twin overhead valve
- 10 gallon fuel tank (6-1/2 hour runtime @ 70% duty cycle)
- Belt driven air compressor
- Remote start/stop
- Automatic blow down on shutdown
- Hour meter, digital pressure display & temperature indicator

**FREE 10K  
JUMP PACK  
WITH PURCHASE!**

Part# GV3H-B80

**Call For Price!**

## Diesel Powered Rotary Screw Air Compressor

**VIPER**   
DIESEL

The VIPER® Diesel Rotary Screw Air Compressor gets you all the air power you need to get the job done at half the cost of tow behinds or cross mounts. Engineered with smart technology to provide automatic variable speed control for fuel savings, the VIPER® Diesel is perfect for 90 lb jackhammers, 4" piercing tools, blowing out irrigation systems and more! It's even compact enough to fit into the back of even the smallest pickup truck beds.

### Features

- Kubota® tier 4 certified diesel 24.8 hp w/auto shut off and start for fuel savings
- Automatic variable speed control
- 60 amp alternator
- Integrated battery
- Features hour meter, pressure and temperature readouts, fuel & engine RPM gauges
- Oil injected rotary screw encapsulated air end
- Direct drive - no belts

**FREE 10K
