2018 Mercedes-Benz GLA250 AMG Line 4Matic

Low miles, superb maintenance history, original factory paint, desirable options, and original factory warranty make this 2018 GLA250 with a distinctive AMG Line Package stand out from the crowd. Over \$7,500 in desirable options, this GLA250 is an incredible value. [More Info](#)

2008 Mercedes-Benz CL63 AMG

This is the one to own. Enthusiast owned complete service history, and only driven in the south, far from snow and salt. This CL63 AMG has only 44,093 miles and a clean Carfax report. Hand-built naturally aspirated 6.3L AMG V8 Engine develops 518 hp smoothed out by an astonishing 465 Lb-Ft of torque. The exclusivity of CL63 AMG is close to most exotic cars, its cost of ownership is down-to-earth. An original MSRP of

2016 Porsche Cayenne GTS AWD

This one will exceed the highest expectations of the most demanding Porsche Enthusiasts. One owner, complete and thorough service history, always kept in climate control conditions with no winter driving. With an original MSRP of \$111,360, this GTS comes with almost \$15K tastefully selected options that make this GTS a one-of-a-kind vehicle.

2018 BMW 328d xDrive Sports Wagon

This 328d Wagon is loaded with the best available options. A 280lb-ft torque diesel engine propels this wagon and is able to achieve close to 40 MPG highway. Only one owner and exceptionally low mileage of 31,856. With over \$12k in factory installed options, this BMW 328d Wagon is incredibly rare. Wrapped in PPF on the hood, fenders, 4 doors, and bumpers, ensuring a blemish-free finish. 4 winter tires on separate rims are also included with the sale of this BMW. [More Info](#)

1972 Mercedes-Benz 280 SE W108

Originally purchased out of Oklahoma, this Mercedes was part of the same family until the mid-2000s. This family would care for and maintain the vehicle with regular service and cosmetic work at the same local Mercedes-Benz dealership. It was then sold to another local OK family who would care for it for a few years until it made its way north to Massachusetts. The current owner would also maintain and service this Mercedes regularly until it was purchase by us at AlphaCars as a prime example of originality. [More Info](#)

2019 Chevrolet Silverado 1500 LTZ 4x4 Crew Cab

One owner, Clean Carfax report, loaded with the best options and exceptionally low mileage of only 20,919. Over \$6k in highly desirable factory options, including Off-Road Package, LTZ Package, Bose Audio System, and more. The factory warranty is still valid until 10/16/2022 or 36,000 miles. Factory Diagnostic Tools

Thanks to our investment in factory diagnostic tools and equipment. We are able to provide factory-level maintenance and repairs on Mercedes-Benz, BMW, Audi, Land Rover, VW, Porsche, Smart, and all major European manufacturers. We are your independent OEM dealer alternative.

RoadForce Wheel Balancing

We balance wheels to cancel out the uncomfortable vibration that can be felt when an unbalanced wheel is traveling at speed. However, imbalance is not the only cause of wheel and tire induced vibration. A vehicle may have four perfectly balanced wheels and still experience vibration due to Road Force

Detailing & Reconditioning

Our detailing will combine our services for a comprehensive package to restore and

maintain your vehicles for years to come. Every vehicle is different therefore we will create an individual plan based on your vehicle's needs and condition, both exterior and interior. This is the best way to get the most noticeable difference in the appearance of your vehicle. We forego traditional packages and offer a truly tailor-made service to each of our customers.

Leather Repair & Refinishing

Transform your interior. Our highly skilled reconditioning specialists will be able to restore and repair most leather surfaces. Bringing them back to life and ensuring your interior looks and feels just like new.

Ceramic Pro Surface Protection

Ceramic Pro once cured, is measured to have hardness above 9H. The normal clear coat has a hardness between 2H and 4H. The

increase in the hardness of the coated surface is vast. This makes it the hardest paint coating on the market today. This new glass shield prevents minor scratches to your clearcoat and acts as a sacrificial layer. This preserves the original factory paint.
